

VOTE! *for* Burbank City Council

MICHAEL LEE GOGIN

Hello Burbank Neighbor,

I am running for Burbank City Council in the NOVEMBER 3rd Election.

I would like to ask for your VOTE and your consideration in supporting my campaign. After living in Burbank for 13 years, I can't imagine living anywhere else. I hope you feel the same way as I do.

About Me:

- 35 years of experience as an actor, screenplay writer, and an entrepreneur.
- Member in the Entertainment/Media Unions: SAG-AFTRA, AGVA, AGMA, and ACTRA.
- Past Board Member of the Screen Actors Guild Board with 104,000 members at the time.
- Past first SAG National Chair of "Performers with Disabilities"
- Past President of the Los Angeles Chapter of LPA (Little People of America)
- A disability justice leader and an activist for organizations that represent marginalized communities.

As your Council Member I promise to protect your:

- Public Safety - Preserve our Police and Fire Departments.
- Quality of Life - Property Protection, City Services, Neighborly Lifestyle.
- Entertainment/Media Industry Jobs & Local Businesses - Safely Get Back to Work.

As your Council Member I will work for you to support the following:

- ✓ Maintain and protect our Police and Fire Departments at the highest level possible to preserve our excellent services and public confidence. I will not vote to defund the Police Department.
- ✓ Protect R-1 and R-1H zoning to prevent large scale developments in our neighborhoods.
- ✓ Find affordable housing solutions without creating a costly local bureaucracy.
- ✓ Generate additional city revenue by creating a "Filming Commission" liaison for Entertainment/Media Industry related businesses by streamlining the permit and regulation process. I will help all local businesses to the best of my ability.
- ✓ Create a "Leash Free and Safe Dog Park" without using tax dollars.
- ✓ Address the concerns and challenges of the senior and disabled community; include more accessible housing and community services/resources.
- ✓ Resolve the citywide deficit without imposing new tax burdens.
- ✓ Control and mitigate excess unsafe traffic and speeding.

With your vote, I will be the Council Member who will fairly evaluate all issues that affect the interest of individuals and the City of Burbank. Your trust in me is paramount, it would be an honor to serve you.

Please email me with your questions/concerns and opinions at: MLGoginBurbank@gmail.com. I look forward to talking with you!

Sincerely,
Michael Lee Gogin
